

From Arctic to Tropics in Ten Minutes

No oil heater has a higher efficiency or greater heating power than the

PERFECTION Oil Heater

(Equipped with Smokeless Device)

With it you can go from the cold of the Arctic to the warmth of the Tropics in 10 minutes.

The new

Automatic Smokeless Device

prevents smoking. There is no possible question about it. This means greater heat-power, a more rapid diffusion of heat and a sure conversion of all the heat-energy in the oil.

In a cold room, light the heater and in 10 minutes you'll have a glowing heat that carries full content. Turn the wick up as high as it will go—no smoke—no odor.

In everything that appeals to the provident and the fastidious, the Perfection Oil Heater, with its new automatic smokeless device, decisively leads. Finished in Nickel or Japan in various styles.

ASSAULTED AND MURDERED.

Fighting as desperate a battle for her honor as ever woman waged, Battle Zinda, 14 years old, was strangled to death in an abandoned office in Humboldt boulevard, near Commerce street, Milwaukee, Wis., last Friday night. The body of the girl was found yesterday.

The girl was dragged into the office and held against her will while she was assaulted by the men who had made the office their headquarters for more than a week.

The men directly implicated in the murder are supposed to have taken a train to Chicago. The murderers had plenty of time to get far away from the scene of the crime.

The girl was a cousin of Rev. Father Zinda, of St. Hedwig's parish. The people of that parish are aroused to fever heat, and are talking about lynching.

A post-mortem examination was held yesterday afternoon. That the girl was strangled after the assault was made certain; also that she had been dead since Friday night.

The straggling was accomplished first with the hand, then with a scarf. Deep finger prints were found on the neck and breast. The scarf had probably been tightly tied to make sure of death, and had become loosened in the girl's death struggles.

Every trace shows that the men must have tortured their victim before death came. Matches burnt and unburnt littered the floor. It was evident also that the girl resisted to the utmost.

WILL PROSECUTE ASSAILANT.

Mrs. Annie Campbell, a sister of Miss Jessie Wilson, of Richmond, who died several days ago as the result of an alleged assault, yesterday declared that she would spare neither time nor such expense as she could afford to bring to justice the man who caused the death and ruin of her sister.

Miss Wilson is the Scotch girl who, after the assault, kept the matter secret from even her friends and allowed her condition to become very serious before she finally admitted the nature of her trouble. She died in a delirium in the Virginia Hospital, in Richmond. Asserting that she knows the man who is alleged to have committed the assault, Mrs. Campbell further refused to discuss the matter. The police now know the name of the man and he will soon be in custody.

Mrs. Campbell arrived in Richmond, on Wednesday, from Scotland. She came on a visit to her sister only to find her funeral in progress.
